SAUVIGNON BLANC SONOMA COUNTY

VINEYARDS

We take careful consideration in selecting each of our vineyard sites throughout the county in order to both showcase its breadth and scope as well as how these different microclimates can complement each other. Rooted in the Russian River Valley, but with sources as far north as the warm, sunny slopes of the Dry Creek Valley, this Sauvignon Blanc pays due homage to its unique home.

COMPOSITION

100% Sauvignon Blanc

WINEMAKING

- Hand-picked
- Whole-cluster pressed
- Vineyard lots fermented separately

TASTING NOTES

Notes of bright citrus zest, juicy green apple, and savory lemongrass.

ALCOHOL: 13.8% | BRX: 23.3° | PH: 3.20 | TOTAL ACIDITY: 6.7 g/L
