VINEYARDS & WINERY

2019  
**CABERNET SAUVIGNON**  
NAPA VALLEY

**THE WINE**

Balanced by the various appellations that make up this blend, our Napa Cabernet is classic in style and defined by the diversity among the vineyards we source from.

**SOURCING**

Rutherford, Stags Leap District, Howell Mountain, Yountville

**VINEYARD NOTES**

Sourced from various sought-after appellations, we choose premier vineyard locations throughout the valley with distinct variances in climate, elevation, and soil type.

**VARIETAL COMPOSITION**

100% Cabernet Sauvignon

**VINTAGE NOTES**

Starting with rain during bloom, 2019 transitioned into a steady, slow to warm spring. Temperate throughout the summer, offering only a couple intermittent heat spikes. Average yields and incredible quality with harvest beginning in early August.

**WINEMAKING NOTES**

Classic, labor-intensive, small-lot winemaking techniques implemented. Four day cold-soak, hand punch downs for two weeks in open top fermenters. Aged in 45% new French oak for 12 months.

**TASTING NOTES**

Deep notes of black currant, and touches of elderberry and vanilla. Fresh marionberry and cherry throughout, with graphite, mountain sage and supple, integrated tannins.

**RELEASE DATE**

February 2021
