2019
PINOT NOIR
SONOMA COAST

“The 2019 Pinot Noir Sonoma Coast is another pretty, perfumed, incredibly elegant wine from this estate, offering lots of mulled red and black fruits, toasted spices, and exotic flower-like aromas and flavors. Medium-bodied on the palate, it has some classic Sonoma Coast foresty conifer tree-like nuances, building tannins, and outstanding length as well. This is a Pinot Noir for those who favor elegance and complexity over richness and power.
