

SYNTHESIS

2019

PINOT NOIR | RUSSIAN RIVER VALLEY

“The 2019 Pinot Noir Synthesis comes from the Russian River Valley and is a mix of clones 943, 667, and 777 that spent 12 months in barrel. Translucent ruby, it plays in the more medium-bodied, elegant end of the spectrum, especially for a Russian River Valley Pinot. It offers pretty, perfumed notes of spiced red fruit, dried flowers, spice, and subtle foresty, earthy nuances. With light tannins, good overall balance, and a clean finish, it’s a pretty, classic, already complex Pinot Noir to enjoy over the coming 4-6 years.”
