BLANC DE BLANCS

RUSSIAN RIVER VALLEY

Our Blanc de Blancs brings an intensity of fruit and delicate effervescence to the palate, a perfect complement to its creamy mousse and subtle salinity. The bracing, lively acidity at the core is a testament to the revered Chardonnay grown in the Russian River Valley.

With a passionate commitment to craft terroir-driven sparkling wines, we produce our Blanc de Blancs in-house, by hand, without compromise. Partnering with renowned domestic sparkling winemaker Keith Hock, Leslie Renaud and Raemy Paterson are dedicated to developing wines that showcase the complexity and breadth of the vineyard and varietal. Clean, focused, and electrifying, this wine is destined to be savored and celebrated.

*Golden-hued
and Luminous...*
