BRUT ROSÉ

RUSSIAN RIVER VALLEY

Our Brut Rosé is a red fruit-filled and racy wine, wrapped in citrus and spice. With a refined finesse, its delicate effervescence transcends into an exquisite, round palate and lingering finish. From the wild and fervent nose to the bright, punchy fruit, it embodies the breadth of its origins and heritage.

With a passionate commitment to craft terroir-driven sparkling wines, we produce our Brut Rosé in-house, by hand, without compromise. Partnering with renowned domestic sparkling winemaker Keith Hock, Leslie Renaud and Raemy Paterson are dedicated to developing wines that showcase the complexity and breadth of the vineyard and varietals. Clean, focused, and electrifying, this wine is destined to be savored and celebrated.
