VINEYARDS & WINERY

— HALF BOTTLES —

## THE WINE

Balanced by these distinct appellations, we blend our Chardonnay and Pinot Noir to be classic in style and defined by the diversity among the vineyards we source from. Taking pride in the myriad of profiles of fruit that develop from cool climate and elevation, we strive to make every vintage terroir driven, but always bright, focused, and complex

The morning fog that often hangs on long into the day before giving way to warm direct sun, gives the vines and fruit an extended growing season to optimize its terroir. This results in distinctive, racy acidity and ripe fruit, with finished wine that is ideal for food and aging.

**CHARDONNAY  
MONTEREY | SONOMA**
